Forest school competition

As you all know we've been busy establishing our forest school.

Each bubble has chosen a part of the forest school to develop.

We're having an arch built for the entrance way but we have no name for our Forest school.

So it's time for a whole school competition.

We need a suitable name for our forest school.

The most creative, imaginative entries will be put into a hat and the winner will be chosen at random.

The winning name will be carved onto a handmade sign and will have pride of place hung on to the entrance way arch to forest school.

Entries need to be in by Friday 6th July.

And the winning name will be announced on the 7th July.

Can't wait to see all the fantastic entries.
